

**PURPOSE:** Students should be able to sign out earlier in the day if they have no classes or after the end of their last class on Tuesdays and Thursdays.

**INTRODUCED BY:** Danica Belington

**BE IT RESOLVED BY THE MISSISSIPPI SCHOOL FOR MATHEMATICS AND SCIENCE SENATE:**

**SECTION ONE (DEFINITION):**

“A” day: Eight periods of classes on Monday, Wednesday, and Friday.

“B” day: Five periods of classes on Tuesday.

“C” day: Five periods of classes on Thursday.

**SECTION TWO (REASONING):**

A student’s B and C day may not be as busy or packed with classes as their A day. These B and C days also run on a different schedule, which each class lasting an hour and a half compared to an hour on an A day. Because of the different scheduling, general sign outs should match the times of the classes starting or ending.

This allows students to sign out for general errands earlier, and right after lunch if they have no more classes later in the day. Their sign out limit will still follow their respective privilege plan and are limited to a certain amount of general sign outs per week.

**SECTION THREE (SPECIFIC CHANGE):**
