

PURPOSE: To replace the AP testing dates calendar within the student handbook to reflect official College Board dates.

INTRODUCED BY: Ramse Jefferson

BE IT RESOLVED BY THE MISSISSIPPI SCHOOL FOR MATHEMATICS AND SCIENCE

SECTION ONE (REASONING):

The current handbook lists the AP testing dates as TBD or with tests grouped together that will not be tested together. The College Board has posted official dates for the AP tests, this bill will model the AP testing dates in the handbook after official College Board guidelines. The handbook is looked to as the definitive source of information on, so updating it helps clear any confusions students may have. The most efficient way to reflect the changes is through a new calendar.

SECTION TWO (SPECIFIC CHANGE):

On page 4 of the Student Handbook (PDF page 10) under the section “Calendars” the following would be changed to:

Calendars
