

PURPOSE: To allow Resident Assistants from the opposite dorm to sign off on cards.

INTRODUCED BY: Eduardo Gonzalez-Orozco, Isabel Beckman

BE IT RESOLVED BY THE MISSISSIPPI SCHOOL FOR MATHEMATICS AND SCIENCE

SECTION ONE (REASONING):

Students who are signing out on their cards need the approval of resident assistants or hall directors. However, there are times when there is no hall director or RA available. In this case, students should be able to go to the other hall to get their card signed instead of having to wait.

SECTION TWO (PROPOSED ACTION):

For a student to be able to go over to the opposite dorm in order to get their card signed.

SECTION THREE (APPENDIX):

Response 1 (Anonymous): “I like this bill since if someone left their yellow card on the table for someone to sign, they could get in massive trouble for leaving campus without permission.”

Response 2 (Anonymous): “The way things are now, if I leave my card for someone to sign, I have no way of knowing what is going to happen to it in between leaving the card and someone signing it.”

Response 3 (Anonymous): “I have had to wait around 5-10 minutes to get my card signed when no one is at the front desk.”

Response 4 (Anonymous): “It could help in some scenarios where there is no one around and I need to sign out on yellow card, and I can’t leave without someone signing it.”

Response 5 (Anonymous): “I’m impartial to the topic since it hasn’t really affected me, but I think it could better help those who have gone through situations that this resolution concerns.”

Response 6 (Anonymous): “I like this bill since it brings to light to admin that there are times where admin isn’t always in the downstairs lobby.”
