

PURPOSE: To increase the allotted time for Standard Plan general errands

INTRODUCED BY: Morgan Smith

BE IT RESOLVED BY THE MISSISSIPPI SCHOOL FOR MATHEMATICS AND SCIENCE:

SECTION ONE (REASONING):

Currently, students on Standard Plan are allowed two hours weekly to use their car. Students frequently use this limited time frame time to try to complete many essential weekly tasks, requiring them to rush around to many locations. A typical student may need to visit their pharmacy, the post office, and the supermarket in a week – a task which becomes very difficult and potentially dangerous to a Standard Plan student. To allow these students to more easily complete weekly tasks, the general errand time limit for Standard Plan students should be increased from two to three hours.

Extended Plan would still be distinct from Standard Plan if this change was implemented, as Extended Plan students are allowed four hours for their weekly general errand sign out, as well as three general purpose sign outs.
