

PURPOSE: To formally recognize the hard work and positive impact of the ~~MSMS~~-cafeteria staff and to foster appreciation within the school community.

INTRODUCED BY: Lillie Thompson

BE IT RESOLVED BY THE MISSISSIPPI SCHOOL OF MATHEMATICS AND SCIENCE

SECTION ONE (REASONING):

The Hogarth cafeteria staff provides essential, daily service to the entire student body and staff. Their hard work, dedication, and positive attitudes contribute significantly to the well-being of our community, yet these contributions often go without formal acknowledgment. Creating an official, ~~monthly~~-quarterly recognition program would serve to boost staff morale, formally express student gratitude, and strengthen the positive relationship between students and the dining services team.

SECTION TWO (PURPOSED ACTION):

We request the establishment of a "Dining Staff Member of the ~~Month~~-Quarter" award. This program will be facilitated by the Student Government Association (or other organization) and will operate as follows:

1. During the final week of ~~each month~~-of each quarter, a school-wide poll will be sent out for all students to vote for one cafeteria worker who they believe has demonstrated exceptional service, kindness, or dedication.
2. The staff member who receives the most votes will be formally recognized.
3. This recognition shall include, but not be limited to, a certificate of appreciation and a formal announcement to the student body (e.g., via school-wide email). A small display honoring the staff member could also be placed in the cafeteria for the following month.
